If required by the Master Association, Assessments due the Master Association by the Association shall be a common expense of the Association.

H. Establishment of reserve accounts for capital expenditures and deferred maintenance for the Common Areas;

I. Payment of real property taxes, personal property taxes and other assessments levied against the Common Areas;

4.3 All regular and special assessments for items pertaining to the Common Areas shall be at a uniform rate for each Lot in the Properties, except as set forth in Sections 4.12 and 5.3 below.

4.4 In addition to the Annual Assessments, the Association may levy in any assessment year a Special Assessment applicable to that year only, for reconstruction, unexpected repair or replacement of a capital improvement as approved by the Board, including

the necessary fixtures and personal property related thereto, or for any other expenditure approved by the Board.

4.5 The Annual Assessment for which provision is herein made shall be paid quarterly, in advance. The first annual assessment shall be adjusted according to the number of months remaining in the fiscal year.

4.6 The Association shall collect all assessments and other sums due the Master Association if required of it by the Master Association. The Association shall remit the assessments to the Master Association pursuant to such procedures as may be adopted by the Master Association.

4.7 The Board shall fix the date of commencement, and the amount of the assessments against each Lot for each assessment at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the Lot Owners and assessments applicable thereto which shall be open to inspection by any Member. Not later fourteen (14) days after fixing the date of commencement and amount of assessments, the Association shall notify Lot Owners at the address as shown on the current roster of members, which notice shall be conclusive as to delivery to Lot Owners. The Association shall, on demand, and for a reasonable charge, furnish to any Owner liable for the assessment a certificate in writing signed by an officer of the Association, setting forth whether the assessment has been paid.

4.8 If any assessment is not paid within thirty (30) days from its due date as determined by the Board pursuant to this Declaration, the Association may, at any time thereafter, record a lien against said Lot in the Public Records of Lee County, Florida, and bring an action to foreclose the lien in a like manner as a foreclosure of a mortgage on real property and/or a suit on the personal obligation against the Owner(s), and there shall be added to the amount of such assessment the cost of any such action (including a reasonable attorney's fee), and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and a reasonable attorneys' fee to be fixed by the Court, together with costs of the action.

4.9 Liens for delinquent assessments shall be recorded in the Public Records of Lee County, Florida, and shall be prior to and superior to the creation of any homestead status on the property and any subsequently recorded liens or encumbrances.

4.10 The lien of the assessment for which provision is herein made as well as in any other Article of this Declaration shall be subordinate to the lien of any first mortgage to an Institutional Mortgagee unless the claim of lien is recorded prior to the mortgage. Such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such Lot(s) pursuant to a decree of foreclosure, and in any other proceeding in lieu of foreclosure and shall relieve any Lot(s) neither from liability for any assessments thereafter becoming due, nor from the lien of any subsequent assessment.

4.11 The following property subject to this Declaration shall be exempted from the assessments charges and liens created herein:

A. All properties to the extent of any easement or other interest therein dedicated and accepted by Lee County and devoted to public use.

B. All Common Areas as defined in Article 1, Section 1.4.

4.12 Notwithstanding any provision of this Declaration or the Association's Articles or By-Laws to the contrary, the Developer shall not be obligated for, nor subject to, any annual assessment for any Lot which it may own, provided the Developer shall be responsible for paying the difference between the Association's expenses of operation otherwise to be funded by annual assessments and the amount received from Owners, other than the Developer, in payment of the annual assessment levied against their respective Lots. Such difference, herein called the "deficiency", shall not include any reserve for replacements, operating reserves, depreciation reserves, capital expenditures or special assessments. The Developer shall not be responsible for any of said reserves.

The Developer may at any time give sixty (60) days written notice to the Association of its intention to terminate its responsibility for the deficiency, and waiving its right to exclusion from annual assessments. Upon the conclusion of the sixty (60) day period, each Lot owned by the Developer shall thereafter be assessed at twenty-five percent (25%) of the annual assessment established for Lots owned by members other than the Developer. Upon transfer of title of a Lot owned by the Developer, the Lot shall be assessed in the amount established for Lots owned by Owners other than the Developer, prorated as of, and commencing with the date of transfer of title.

ARTICLE V

MAINTENANCE OF LOTS

5.1 In addition to maintenance of the Common Areas, the Lot Owners shall be assessed by the Association for the maintenance of the lawn and landscaping on their Lots. The exterior regular maintenance assessments shall be considered apart of the annual or special assessments and shall be a lien on each Lot and the personal obligation of the Owner and shall become due and payable in all respects together with interest, reasonable attorneys' fees and costs of collection in the same manner and under the same conditions as provided for the other assessments of the Association. Also included in the assessments of the Association shall be assessments for minor repair and maintenance of driveways on each Lot from each residence to the roadway providing access to such residence.

5.2 Lot Owners shall be responsible for the exterior cleaning, painting and general maintenance of their residence, as well as maintenance of the interior of their residence, and any maintenance responsibility not the responsibility of the Association as such responsibility is described in Section 5.1 above. This shall include responsibility for maintenance of the swimming pool, if any, on their Lot and any pool enclosures, decks, patios, courtyard gardens and walkways. Lot Owners shall also be responsible for all maintenance of

their residence, including, but not limited to roof replacement, replacement of damaged or destroyed portions of their residence, broken glass or torn screens. Lot Owners shall also be responsible for non-routine or extraordinary maintenance, repair or replacement of their driveway from their residence to the roadway providing access to such residence. All exterior painting performed by an Owner must be in compliance with and approved by the Architectural Review Board.

5.3 In addition to maintenance of the Common Areas, the Association may provide upon any Lot or residence requiring same, when necessary in the opinion of the Board of Directors, to preserve the beauty, quality and value of the neighborhood, any maintenance, repair or replacement that is otherwise the responsibility of the Lot Owner as described in Section 5.2 herein, if the Lot Owner fails to replace, restore, repair or perform the required maintenance after ten (10) days written notice to the Owner of any such Lot of the need of such replacement, restoration, repair or maintenance.

The cost of such maintenance shall be assessed against the Lot upon which such maintenance is performed, or, at the option of the Board of Directors, against the Lot or Lots benefiting from the maintenance. The assessment shall be apportioned among the Lots involved in the manner determined to be appropriate by the Board. Any such maintenance assessments shall not be considered a part of the annual or special assessment. Any such maintenance assessment shall be a lien on the Lots affected and the personal obligation of the Owners and shall become due and payable in all respects, together with interest, reasonable attorneys fee, and cost of collection, in the same manner and under the same conditions as provided for the other assessments of the Association.

5.4 In the event that any of the improvements located on any Lot are destroyed or damaged as a result of any cause, including, but not limited to aging, fire, windstorm, flood or tornado, the Owner of such improvements shall cause repair or replacement of such improvements to be commenced within thirty (30) days from the date of insurance settlement, and to complete the repair or replacement within six (6) months thereafter.

All such repairs or replacement must be performed in accordance with standards promulgated pursuant to Article VI below.

5.5 In the event that the Owner of any Lot fails to commence or complete construction to repair or replace any damaged or destroyed improvements within the time periods provided for herein, then in that event, the Association shall be deemed to have been granted the right by the Owner to commence and/or complete the repairs sufficient to substantially restore the improvements to their original condition, according to the plans and specifications of the original improvements.

5.6 In the event that the Association exercises the rights afforded to it in this section, the Owner of the subject Lot shall be deemed to have assigned to the Association any right the Owner may have to insurance proceeds that may be available to the Owner arising from the damage or destruction of the improvements.

For this purpose, the Owners of the Lots agree to provide for the Association to be named as an additional insured under any hazard and flood insurance policies relating to their Lots and the improvements constructed thereon. Further, the Association may require that all such policies be in an amount sufficient to finance the repair or replacement of the improvements provided for above, taking into account local construction costs and property values as they may, from time to time, exist. In the event that an Owner refuses to increase such insurance coverage deemed reasonably necessary to replace the residence by the Association, or if the Owner allows the required insurance coverage to lapse, or for some other reason, causes the same to become null and void, the Association may purchase whatever coverage it deems reasonably necessary for the Association's benefit. The costs so incurred by the Association shall become due and payable in all respects, together with interest, reasonable attorneys' fees and cost of collection, as provided for in connection with and under the same terms and conditions as the other assessment of the Association.

5.7 Any and all costs incurred by the Association in effectuating the repair or replacement of damaged or destroyed improvements shall become due and payable in all respects, together with interest, reasonable attorneys' fees and costs of collection, as provided for in connection with and under the same terms and conditions as other assessments of the Association.

ARTICLE VI

ARCHITECTURAL CONTROL AND RECONSTRUCTION

6.1 No improvement, addition or deletion of structure of any kind, including without limitation, any building, fence, wall, screen enclosure, awning, drain or other improvement shall be commenced, erected, placed or maintained upon any Lot, nor shall any addition, change, alteration, repair or replacement therein or thereof be made, unless and until the plans, specifications and location of the same shall have been submitted to, and approved in writing by the Master Association pursuant to the procedures established by the Master Declaration so long as the Master Association elects to exercise this right. If the Master Association no longer exercises this right, the Association shall exercise these functions as more fully provided in the guidelines set forth below. All plans and specifications shall be evaluated as to harmony of external design and location in relation to surrounding structures and topography.

6.2 At such time as the Master Association declines or fails to exercise architectural review rights, the architectural review and control functions of the Association shall be administered and performed by the Architectural Review Board (the ARB), which shall consist of at least three (3) members, who need not be Members of the Association. The Developer shall have the right to appoint all of the members of the ARB, or such lesser number as it may choose, as long as it owns at least one Lot in the Properties. Members of the ARB as to whom Developer may relinquish the right to appoint and all members of the ARB after Developer no longer owns at least one Lot in the Properties shall be appointed by and shall serve at the pleasure of the Board of Directors of the Association. A majority of the ARB shall constitute a quorum to

transact business at any meeting of the ARB, and the action of a majority present at a meeting in which a quorum is present shall constitute the action of the ARB.

6.3 Any vacancy occurring on the ARB because of death, resignation, or other termination of service of any member thereof, shall be filled by the Board of Directors, except that Developer, to the exclusion of the Board, shall fill any vacancy created by the death, resignation, removal or other termination of services of any member of the ARB appointed by Developer, so long as the Developer retains title to at least one Lot in the Properties.

6.4 If the Master Association declines or fails to exercise architectural review rights, the ARB shall have the following powers and duties:

A. To recommend, from time to time, to the Board of Directors of the Association the creation of or modification and/or amendment of any architectural planning criteria promulgated by the Board. Any architectural planning criteria or modifications or amendment thereto shall be consistent with the provisions of this Declaration and the Master Declaration, and shall not be effective until adopted by a majority of the members of the Board of Directors of the Association at a meeting duly called and noticed and at which a quorum is present. Notice of the adoption, modification or amendment to the architectural planning criteria, including a copy of such adoption, change or modification, shall be delivered to each Member of the Association; provided that, the delivery to each Member of the Association of notice and a copy of any adoption of or modification or amendment to the architectural planning criteria shall not constitute a condition precedent to the effectiveness or validity to such change or modification;

B. To require submission to the ARB of two complete sets of all plans and specifications for any improvement or structure of any kind, including without limitation, any building, fence, wall, swimming pool, enclosure, sewer, drain, decorative building, landscape device, object or other improvement, the construction or placement of which is proposed upon any Lot in the Properties. The ARB may require such additional information as may reasonably be necessary for the ARB to completely evaluate the proposed structure or improvement in accordance with the Declaration and the architectural planning criteria;

C. To approve or disapprove any improvement or structure of any kind, including without limitation, any building, fence, wall, swimming pool, screen enclosure, drain or other improvement or change or modification thereto, the construction, erection, performance or placement of which is proposed upon any Lot in the Properties, and which is visible from the outside of any Lot. All decisions of the ARB shall be submitted in writing to the Board of Directors of the Association and evidence thereof may be made by a certificate, in recordable form, executed under seal by any officer of the Association. Any party aggrieved by a decision of the ARB shall have the right to make a written request to the Board of Directors of the Association within thirty (30) days of such decision for a review thereof. The determination of the Board upon reviewing any such decision shall in all events be dispositive; and

D. To adopt a schedule of reasonable fees for processing requests for the ARB approval of proposed improvements. Such fees, if any, shall be payable to the Association in cash, at the time that plans and specifications are submitted to the ARB.

ARTICLE VII

USE RESTRICTIONS

In addition to any restrictions imposed upon the Property by the Master Association as provided in the Master Declaration, the use of the Lots shall be in accordance with the following provisions:

7.1 The Property may be used for single-family residential living and for no other purpose. No trade, business, profession or other type of commercial activity may be conducted on any part thereof.

7.2 No tents, trailers, shacks, tanks or temporary or accessory buildings or structures shall be erected or permitted to remain on any Lot or the Common Areas without the written consent of the Developer or of the Association after Developer has conveyed the last Lot which Developer owns in the Property.

7.3 No aerial, antenna, antenna poles, antenna masts, citizen band or amateur band antennas, or satellite dish shall be placed or erected upon any Lot, or affixed in any manner to the exterior of any building in the Property, without the prior written consent of the ARB.

As used in this section, the words "its transferees" specifically exclude purchasers of Lots.

7.10 No automobile garage shall be permanently enclosed or converted to other use without the written permission of the ARB.

EASEMENTS FOR MAINTENANCE, CONSTRUCTION AND REPAIR

8.1 The Declarant hereby reserves unto the Developer and its agents, employees, invitees and assigns, and for the benefit of the Association, and the Association's agents, employees, invitees and assigns, and the Master Association, a non-exclusive easement for ingress and egress over any Lot located in the Properties in order to gain access to the Common Areas or any other Lot for the purpose of constructing or maintaining residences, and for the Association to discharge its duties to construct, maintain and repair the Common Areas and for the purpose of maintaining the Properties and the Lots by the Association in a manner consistent with the Association's maintenance obligations of the Common Areas and Lots or rights provided herein, together with an easement for the maintenance of sprinkler systems owned by the Association.

8.2 Each Lot and the Common Areas shall be and hereby are made subject to easements for construction, development, repair and maintenance of utilities systems and facilities (including, but not limited to, fire and police protection, garbage and trash removal, water and sewage system, electric and gas service, drainage and telephone), and driveways and the utilities and applicable governmental agencies having jurisdiction thereover and their employees and agents shall have the right of access to any Lot or the Common Areas in furtherance of such easements. No structure, planting, fill or other material shall be placed or permitted to remain which may damage or interfere with the use of such easements.

8.3 The Declarant reserves the right, for the Developer and its designee (so long as Developer or said designee owns any Lot) and for the Board and for the Master Association, without joinder or consent of any person or entity whatsoever, to create and/or grant such additional easements of construction, maintenance, repair and use of, as an illustration, but not limited to, irrigation wells, and pumps, cable television, television antennas, electric, gas, water drainage or other utility easement, or to relocate any easement in any portion of the property as the Developer, its designee, or the Board or the Master Association shall deem necessary or

desirable for the proper development, operation and maintenance of the Properties, or any portion thereof, or for the general health or welfare of the Members, provided that such additional utilities or the relocation of existing utilities will not prevent or unreasonably interfere with the use of the Lot for permitted purposes.

8.4 There are hereby reserved non-exclusive, non-specific, perpetual easements for the benefit of the Golf Club, the Golf Club Owner and the users of the Golf Course Facilities over Lots, Master Common Areas, Neighborhood Common Areas and any other portions of the Total Property which are or may be adjacent to any Golf Course Area to permit every reasonable act necessary and appropriate for playing golf. These easements include, without limitation, the flight of golf balls over and landing of golf balls on the adjacent properties, the necessary and reasonable use of golf carts and maintenance equipment, the usual common noises associated with the playing of golf and maintenance of golf course facilities and the entrance, at reasonable times and in a reasonable manner, upon the adjacent properties to retrieve errant golf balls, provided, however, if any such adjacent property is fenced or walled, the golfer will seek and receive the permission of the owner of such property before entry. Declarant, builders, the Master Association and the Association shall not be liable or responsible for disputes between an Owner and any person using the Golf Course Facilities. ARTICLE X

TRANSFER OF OWNERSHIP AND LEASING OF LOTS

10.1 In order to maintain a community of congenial, financially responsible residents with the objectives of protecting the value of the Lots and facilitating the development of a stable, quiet community and peace of mind for all residents, the transfer of Ownership and leasing of a Lot by an Owner shall be subject to the following provisions, which provisions each Owner covenants to observe.

10.2 Forms of Ownership.

A. A Lot may be owned by an individual person.

B. Co-Ownership of Lots is permitted, but all Owners must be members of a Single Family or living together as a single family housekeeping unit. If co-ownership is to be by more than two persons, the Owner shall designate one natural person as Primary Occupant, and the use of the Lot by other persons shall be as if the Primary Occupant is the actual Owner.

C. A Lot may be owned in trust or by a corporation, partnership, or other entity which is not a natural person. However, the intent of this provision is to allow flexibility in estate or tax planning, and not to create circumstances in which the Lot may be used as short term transient accommodations for several individuals or families. Said corporation, trustee or any entity which is not a natural person shall designate one natural person to be the Primary Occupant, and the use of the Lot by other persons shall be a lessee's and as if the Primary Occupant is the only actual Owner.

D. A Lot may become subject to a life estate, either by operation of law or by approved voluntary conveyance. In that event, during said life estate the life tenant shall be the only member in the Association from such Lot and occupancy of the Lot shall be as if the life tenant was the only Owner. The life tenant and remaindermen shall be jointly and severally liable for all assessment and charges against the Lot. The life tenant may, by signed agreement, transfer the right to vote in all Association matters to any one remainderman, subject to approval by the Association of such arrangement. If there is more than one life tenant, they shall be treated as if they were co-Owners for purposes of voting and occupancy rights.

10.3 Transfers.

A. The Association does not restrict the transfer of Lots. However, the Association must be notified of any transfer of title to a Unit as provided in the By-Laws.

B. There shall be no restrictions on the mortgaging of Lots. All mortgages, other than the first mortgage of record, shall be subject to and inferior to the Association lien for assessments as hereafter provided, regardless of when recorded.

10.4 Leases.

A. All leases must be in writing and a copy of any lease shall be delivered to

the Board upon commencement of the Lease.

B. There may be no leases for a period of less than thirty (30) days nor more than three (3) times in any twelve (12) month period. No subleasing or assignment of lease rights is allowed unless approved by the Board. No individual rooms may be rented and no transient tenants may be accommodated.

C. No one but the lessee, his family within the first degree of relationship by blood, adoption or marriage, and their guests may occupy the Premises.

ARTICLE XI

GENERAL PROVISIONS

11.1 The covenants and restrictions of this Declaration shall run with and bind the Properties, and shall insure to the benefit of and be enforceable by the Developer, the Association, the Master Association or the Owner of any property subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of fifty (50) years from the date this Declaration is recorded, after which time said covenants and restrictions shall automatically be extended for successive periods of ten (10) years unless an instrument signed by the then Owners of two-thirds (2/3) of the Lots has been recorded, agreeing to change or terminate said covenants and restrictions in whole or in part. Violation or breach of any conditions, covenants or restrictions herein contained shall give the Developer and/or Association and/or the Master Association and/or Owner(s), in addition to all other remedies, the right to proceed at law or in equity to compel a compliance with the terms of said conditions, covenants or restrictions and to prevent the violation or breach of any of them, and the expense of such litigation shall be borne by the then Owner or Owners of the subject property, provided such proceeding results in a finding that such Owner was in violation of said covenants or restrictions. Expenses of litigation shall include reasonable attorneys' fees incurred by Developer and/or the Association in seeking such enforcement.

11.2 Any awards for the taking of all or any part of the Common Areas by condemnation or eminent domain shall be used to make the remaining portion of the Common Areas usable in the manner approved by Board of Directors. The balance of such awards, if any, shall be distributed to the Lot Owners equally.

11.3 Any notices required to be sent under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postage paid, to the address of the party to which the notice is directed.

11.4 Invalidation of any one or more of these covenants and restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

11.5 Developer reserves the right unilaterally to amend this Declaration and to do so at anytime or times upon such conditions, in such form and for such purposes as it shall in its sole

discretion deem appropriate by preparing and recording amendments hereto, provided however, that this right of unilateral amendment shall expire after the Developer has turned over control of the Association to Lot Owners other than the Developer. Developer's rights shall include, without limitation the right to amend this instrument at any time prior to turnover in order to correct any errors or omissions, or the dimensions of any Lots, or Common Areas not previously conveyed, so long as any such amendment(s) does not purport to limit or alter the rights afforded any Owners then holding title to Lots in the Properties, purport to change the dimensions of any Lot, or Common Areas previously conveyed or purport to restrict the integrity of the lien of any institutional lender who holds a mortgage on any previously conveyed Lot. Any amendment(s) shall relate back to and become effective as of the date of recording of this Declaration.

After turnover of control of the Association to Members other than the Developer, this Declaration may be amended at any time upon the execution and recordation of an instrument executed by Owners holding not less than two-thirds (2/3) of the voting interest of the membership.

11.6 Notwithstanding any of the provisions contained in this Declaration, neither Developer nor its successors or assigns shall be obligated to develop all of the property submitted to this Declaration, and as described in Exhibit "A". Developer and/or the Master Declarant may release any of the property submitted in this Declaration from the terms and conditions hereof, or subject additional property to the terms of this Declaration, except any properties conveyed to the Association or Owners. Such deletions or additions shall be made by the Developer and/or Master Declarant by filing in the Public Records of Lee County, an amendment to this Declaration providing for the release or addition of the property from this Declaration. Such amendment need only to be executed by the Developer and/or Master Declarant shall not require the joinder or the consent of the Association or its Members.

11.7 So long as the Developer owns any portion of the Properties, Developer shall have the exclusive right to maintain a sales center, model homes or signs on the Properties.

11.8 Whenever the singular is used it shall include the plural and the singular, and the use of any gender shall include all genders.

11.9 This Declaration shall become effective upon its recording in the Public Records of Lee County, Florida.

11.10 The Articles of Incorporation and Bylaws of the Association are attached hereto as Exhibits "B" and "C", and are incorporated herein by reference.

ARTICLE XII

GOLF CLUB

12.2 The Golf Club and its designees may add to, remove or otherwise modify the landscaping, trees and other features of the Golf Club Facilities, including changing the location, configuration, size and elevation of bunkers, fairways and greens and constructing fences, and neither the Golf Club, Developer, Master Association nor the Association shall have any liability to any Owner as a result of such modifications to the Golf Club Facilities;

OWNERSHIP OF A LOT OR DWELLING, OR ANY PORTION OF THE RESIDENTIAL PROPERTY OR MEMBERSHIP IN THE MASTER ASSOCIATION OR ANY NEIGHBORHOOD ASSOCIATION DOES NOT GIVE ANY VESTED RIGHT OR EASEMENT, PRESCRIPTIVE OR OTHERWISE, TO USE ANY GOLF CLUB FACILITIES OR TO ACQUIRE A MEMBERSHIP IN THE GOLF CLUB AND DOES NOT GRANT ANY OWNERSHIP INTEREST OR MEMBERSHIP IN THE GOLF CLUB OR THE GOLF CLUB FACILITIES.

OWNERSHIP OF A LOT OR DWELLING, OR ANY PORTION OF PALMIRA OR MEMBERSHIP IN THE MASTER ASSOCIATION OR NEIGHBORHOOD ASSOCIATION DOES NOT GIVE ANY VESTED RIGHT OR EASEMENT, PRESCRIPTIVE OR OTHERWISE, TO USE THE TOWN CENTER CLUB FACILITIES (AS DEFINED IN THE MASTER DECLARATION) OR TO ACQUIRE A MEMBERSHIP IN THE TOWN CENTER CLUB AND DOES NOT GRANT ANY OWNERSHIP INTEREST OR MEMBERSHIP IN THE TOWN CENTER CLUB OR THE TOWN CENTER CLUB FACILITIES.

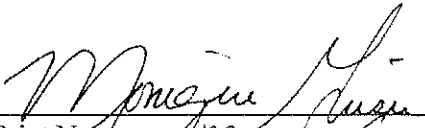

12.1 Privileges to use the Golf Club Facilities shall be subject to the terms and conditions of the membership documents for the Golf Club, as the same may be amended from time to time (the "Membership Plan Documents"). Acquisition of a membership in the Golf Club requires the payment of a membership purchase price called a membership contribution or membership deposit, and membership dues, fees and charges. These amounts shall be determined as set forth in the Membership Plan Documents for the Golf Club. Notwithstanding the fact that the Golf Club Facilities may be deemed open space or a recreation area for purposes of applicable zoning ordinances and regulations or as shown on any Plat, each Owner by acquisition of title to any portion of the Residential Property releases and discharges forever the Developer, the Master Association, the Association, the Golf Club and their respective partners, officers, directors, employees, agents and affiliates, from: (a) any claim that the Golf Club and the Golf Club Facilities are or must be owned and/or operated by the Master Association or the Owners; and/or (b) any claim that the Owners are entitled to use the Golf Club Facilities by virtue of their ownership of a Lot or Dwelling, or any other portion of the Property without acquiring a membership in the Golf Club, paying the applicable membership contribution or membership deposit, and dues, fees and charges established by the Golf Club from time to time, and complying with the terms and conditions of the Membership Plan Documents for the Golf Club.

12.3 The Golf Club may own one (1) or more lakes on Palmira and, notwithstanding the ownership of such lakes, the Golf Club may use any and all lakes in Palmira for the purpose of irrigating and maintaining the Golf Club Facilities with the result that the water level in such lakes may from time to time vary. Each Owner agrees not to commence any cause of action or other proceeding involving the Developer, Association or Golf Club based on the exercise of such right or otherwise interfere therewith. In the event there are insufficient water levels to provide the necessary irrigation needs of the Golf Club Facilities and all other areas of Palmira, subject to applicable governmental permits and requirements, the Golf Club Facilities shall have first priority of irrigation, followed by the Master Association Common Areas, Common Areas and individual Lots, if applicable.
